

It's Conference Season

Empower UC staff has had the opportunity to attend several conferences throughout the country over the past few months. Empower Director, Megan Spurgeon had the honor of presenting alongside MEF Associates, TNDHS, and Martha O'Bryan at the NAWRS Conference in Salt Lake City, Utah, and with the Atlanta Federal Reserve at the Circle USA Conference in Orlando, FL.

Community Support

Zade Brown, a 12-year-old student and athlete at White Co. Middle School chose Circles White Co. for his monthly service project. He assembled special treat bags for each of the Empower children and personalized each bag with a special message. Thanks Zade!

Circles Around the Upper Cumberland

Cumberland, Putnam, and White County Circles chapters are in full swing meeting weekly on Thursdays from 6-8 pm. We would love to have any of our partners and staff be there.
