Circles Empowerment Nights

June was packed with powerful Circle Empowerment Nights held across 12 counties! This month's theme, Stone Soup, focused on the importance of kindness, both to others and to yourself.

Participants took time to reflect and get creative by painting rocks with encouraging words and affirmations. These simple yet meaningful tokens now serve as daily reminders: You are Enough.

Thank you to everyone who showed up, shared, and supported each other. Your presence and positivity continue to strengthen our Circle community.

Spurgeon is featured on Podcast

We're proud to share that our Director, Megan Spurgeon, is featured on the latest episode of Essential Leadership to End Poverty!

In this powerful conversation, Megan discusses what our families are experiencing firsthand, how our incredible partners are stepping up, and how the Empower Upper Cumberland project is helping move families toward lasting economic stability.

From family-centered plans to bold system change, this episode gives you a behind-the-scenes look at what's working right here in Tennessee.
